PROCEEDINGS UNDER THE PACKERS AND STOCKYARDS ACT

C. W. Kitchen Designated in Charge Administration of Packers and Stockyards Act

By Memorandum No. 783, dated October 6, 1938, the Secretary of Agriculture designated Mr. C. W. Kitchen as his personal representative to have charge, effective October 16, subject to the general supervision and direction of the Secretary, of the administration of the Packers and Stockyards Act, as amended. By further memorandum, dated October 13, the Secretary designated Mr. Kitchen as Associate Chief, Bureau of Animal Industry, for the purpose of administering the act, and this arrangement is to continue until further details with respect to organization are worked out.

This action was taken in connection with a recent reorganization of departmental activities and the regrouping of related lines of work.

The remaining units of the former Packers and Stockyards Division dealing with the administration of the 28-hour law and interstate transportation of livestock are retained in the Bureau of Animal Industry under the designation of Interstate Inspection Division with A. W. Miller, chief.

Dockets

Docket No. 1084.—*In re M. M. Snyder*, Columbus and Grand Island, Nebr. The Acting Secretary of Agriculture on February 23, 1938, issued an inquiry alleging that respondent had violated the Packers and Stockyards Act in that he had engaged in an unfair, unjustly discriminatory, and deceptive practice and

device in connection with the handling of livestock in commerce, in that he refused to furnish adequate bond to secure his obligations as a market agency and dealer. On March 19 respondent executed a bond which was filed with the Bureau of Animal Industry on or about April 7. On September 10 respondent acknowledged service of the order of inquiry, admitted the truth of the matters and things therein alleged, and waived a hearing thereon. On October 15 respondent was ordered to cease and desist from the unfair practice of engaging in business as a market agency and dealer without executing and maintaining a bond or other satisfactory form of indemnity to cover his financial obligations.

Docket No. 1107.—In re Northwestern Livestock Comm. Co., York, Nebr. The Secretary of Agriculture on March 24, 1938, issued an inquiry alleging that respondent had violated title III of the Packers and Stockyards Act owing to the fact that it had engaged in and used an unfair, unjustly discriminatory, and deceptive practice and device in connection with handling livestock in commerce in that it had failed to execute and maintain a reasonable bond to secure its obligations as a market agency. As the Northwestern Livestock Commission Co. Stockyards, at which respondent is engaged in business, was withdrawn from the jurisdiction of the Secretary under the Packers and Stockyards Act on September 20, the proceeding in this case was dismissed on October 27.

Docket No. 1130.—In re Tim Welday, Zanesville, Ohio. The Secretary of Agriculture on June 1, 1938, issued an inquiry alleging that respondent had violated the Packers and Stockyards Act in that he had engaged in and used an unfair, unjustly discriminatory, and deceptive practice and device in connection with the handling of livestock in commerce, owing to the fact that he failed and refused to furnish an adequate bond to secure his financial obligations. On August 23 respondent acknowledged service of the inquiry, admitted the truth of the matters and things alleged, and waived a hearing thereon. On October 10 respondent was ordered to cease and desist from the unfair practice of engaging in business as a dealer without executing and maintaining a bond or other satisfactory form of indemnity to cover his financial obligations, and was suspended from registration as a dealer for 6 months, with leave to apply for revocation of this suspension on furnishing a satisfactory bond or other form of indemnity equivalent thereto.

Docket No. 1131.—In re Harry Conley and W. F. Humphrey, partners, trading and doing business as Conley & Humphrey, and Harry Conley, trading and doing business as Harry Conley Co., Kansas City, Mo. The Secretary of Agriculture on June 1, 1938, issued an inquiry alleging that respondents had violated title III of the Packers and Stockyards Act, in that they had engaged in and used an unfair and deceptive practice and device in connection with handling livestock in commerce. A hearing was held on June 28. A copy of the examiner's report was served on counsel for respondents, who filed exceptions and a brief on behalf of respondent Harry Conley, who is registered as a market agency and dealer under the act. On October 21 J. V. Crow, the complainant, was awarded reparation in the sum of \$2,245.88 against Harry Conley, with interest thereon at the rate of 6 percent per annum from February 15, 1938, until paid. Harry Conley was also ordered to cease and desist from the unfair practice and device of refusing to honor drafts by his agent who is authorized by him to make purchases of livestock and to draw said drafts upon him in payment therefor. The proceedings against W. F. Humphrey, a partner of Harry Conley, were dismissed for the reason that the said Humphrey is not a registrant under the act.

Docket No. 1142.—In re Becklame Poultry Co., St. Louis, Mo. The Secretary of Agriculture on June 10, 1938, issued an inquiry alleging that respondent had violated title V of the Packers and Stockyards Act and was financially unable to fulfill the obligations it would incur as a licensee. A hearing was held on June 24. A copy of the examiner's report was served on respondent but no exceptions were filed and no oral argument requested. Since the hearing respondent has discontinued business. Therefore, on September 2 respondent's license to buy, sell, and handle live poultry in commerce was revoked.

Docket No. 1151.—In re Sol Frankel, Inc., New York, N. Y., v. Hackensack Live Poultry Market, Inc., Hackensack, N. J. Sol Frankel, Inc., filed an informal complaint under title V of the Packers and Stockyards Act, asking for an award of reparation for live poultry alleged to have been purchased by the defendant for which defendant refused to pay in full. Defendant admitted the indebtedness and stated that it had not paid for the poultry because of financial difficulties. A hearing was held on August 17, 1938, and from the evidence adduced it appears that the complainant requested that his complaint be dismissed as the subject matter of the complaint had been made the subject of an action by the complainant against the defendant before a court in the State of New Jersey, and that pursuant

to the proceedings in that court, a stipulation was entered into between the complainant and the defendant whereby a settlement was made. Therefore, on October 10 the case was dismissed.

Docket No. 1157.—*In re Fort Worth Stock Yards Co.*, Fort Worth, Tex. The Acting Secretary of Agriculture on August 20, 1938, issued an inquiry alleging that respondent had violated the Packers and Stockyards Act in that it had engaged in and used an unfair and unjustly discriminatory practice in connection with the rendition of stockyard services in that it failed and refused, without just cause, to furnish to Al Crowley services and facilities at its stockyard upon the same terms and conditions as those services are furnished to others under similar circumstances. On September 2 respondent stated in its answer to the inquiry that it would furnish stockyard facilities and services to Al Crowley. On that same date Al Crowley withdrew his complaint. Therefore, on October 10 the case was dismissed.

Docket No. 1160.—*In re John J. Callahan*, Pittsburgh, Pa. The Acting Secretary of Agriculture on September 7, 1938, issued an inquiry alleging that respondent was insolvent in that he was unable to pay his debts as they became due in the usual course of business. On September 12 respondent acknowledged receipt of the inquiry, admitted the truth of the matters and things alleged, and waived a hearing thereon. On October 10 respondent was suspended from registration as a dealer for 6 months, with leave to apply for a revocation of this suspension upon satisfactory proof to the Secretary that he is solvent.

Poultry License Order

Hearings have been held to allow applicants for licenses to buy, sell, and handle live poultry in commerce an opportunity to show cause why their applications, made under title V of the Packers and Stockyards Act, should not be denied. During the month of October an order was issued granting a license to the following:

Docket No. 1122.—*In re Albert Poultry & Egg Co.*, Philadelphia, Pa.

Stockyard Posted

On October 12, 1938, the Farmers Livestock Sales Co., Benkelman, Nebr., was posted as coming within the jurisdiction of the Secretary of Agriculture under the Packers and Stockyards Act.

Stockyard Withdrawn from Jurisdiction

On October 13, 1938, the Julesburg Livestock Auction Co., Julesburg, Colo., was withdrawn from the jurisdiction of the Secretary of Agriculture under the Packers and Stockyards Act.
